

## THE NEW 2016 CHEVROLET CRUZE

CHEVROLET

## **STYLE THAT IS YOUR SIGNATURE.** New

The new Chevrolet Cruze is better than ever. A new dual port chrome grille front fascia and a balanced taillight design on the rear enhance the sculptural lines of the Cruze. And a wide chrome bar on the upper rear bumper gives it more sophisticated look.

Taking Chevrolet Cruze to the next level of detailing and designing are the projection fog lamps with LED daytime running lights. It adds to the appearance and also improves safety.

## **POWER THAT KEEPS YOU IN CONTROL. FEATURES THAT PUT YOU AHEAD.**

Challenge the norms with the new Chevrolet Cruze. It is here to redefine everything with its 2.0 litre VCDi engine that generates 166 PS (122.1 kW) of pure, unadulterated power and 360 Nm of torque. With its 6-Speed Transmission (AT/MT) discover superior acceleration off the block, instant torque delivery for effortless overtaking and the magic of power driving.

The new Chevrolet Cruze is loaded with features that stand out in the segment. The electronic sunroof allows natural air to flow in. You can lock and unlock the door of the vehicle without the car key with our keyless open and start feature. Also you can start and stop the vehicle engine by pushing the ignition button.

Cruise effortlessly on the highway as the steering mounted Cruise Control automatically controls the speed of the car.

## MYLINK - TECHNOLOGY AT YOUR FINGERTIPS. New

For some there is no pause button in life. That's why the new Chevrolet Cruze comes with MyLink, a new way to talk to your car. With the MyLink touchscreen you can customize the functions of the car from warning signals and lighting to automatic door locks. Make phone calls, issue voice commands, and access your contacts with ease by connecting the smartphone via Bluetooth. You can also stream your favourite podcasts, radio shows, entertainment and news through Stitcher, the smartradio app.
